

Economic Contributions of Benet Academy

Benet Academy is a strong employer of 132 staff and faculty, an attraction to the Lisle community, a generator of local spending, and a long-term contributor to community and economic vitality in Lisle.

Students and Employees Support Local Businesses and Contribute Volunteer Services

Students, faculty/staff, and visitors patronize nearby businesses daily including Starbucks, Walgreen's, Jimmy John's, Little Pops Pizzeria, Yerbabuena, Dunkin', and other convenience retail and service locations along Maple Avenue and Route 53 near the campus.

In addition, the campus demonstrates strong civic engagement through volunteer service across multiple initiatives each year (such as Village of Lisle events, Villa Saint Benedict tech-assistance visits, and Christmas family sponsorships).
